

# BUBBL.US

## - tutorial -

The image shows a screenshot of the bubbl.us website. At the top is the logo "bubbl.us" in blue and red, with the tagline "brainstorming made simple" below it. To the left, there are two statistics: "3 million mind maps created" and "1.5 million users and counting...". Below these are two links: "View examples »" and "Learn how to use bubbl.us »". On the right, there is a large white button with the text "Start Brainstorming" in black.

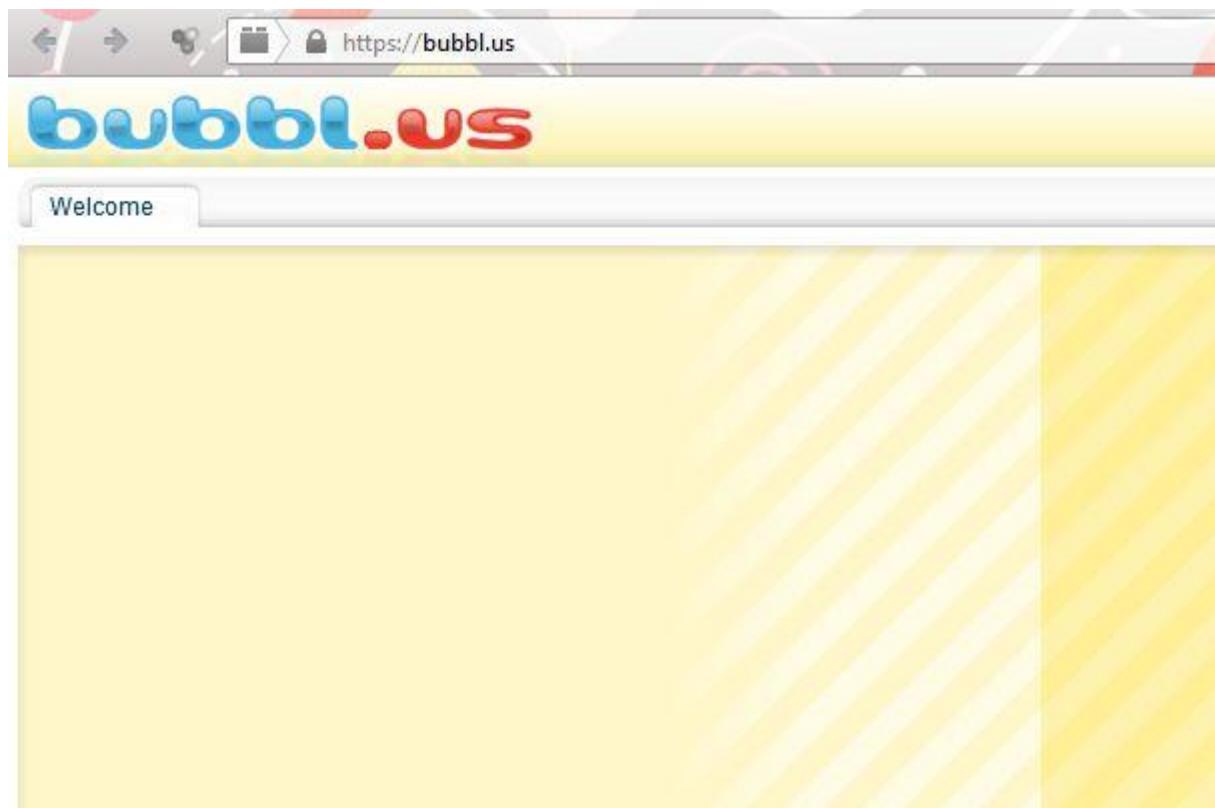

bubbl.us  
brainstorming made simple

3 million mind maps created  
1.5 million users and counting...

Sa desne strane nalazi se blok pomoću kojeg kreiraš račun i prijavljuješ se.

**1. mogućnost:**  
Kreiraj svoj korisnički račun.

**2. mogućnost:**  
Ako si korisnik Google-a,  
možeš se prijaviti pomoću svog računa.

Nakon prijave u sustav, izradu mentalne mape možeš započeti klikom na “Start brainstorming”.

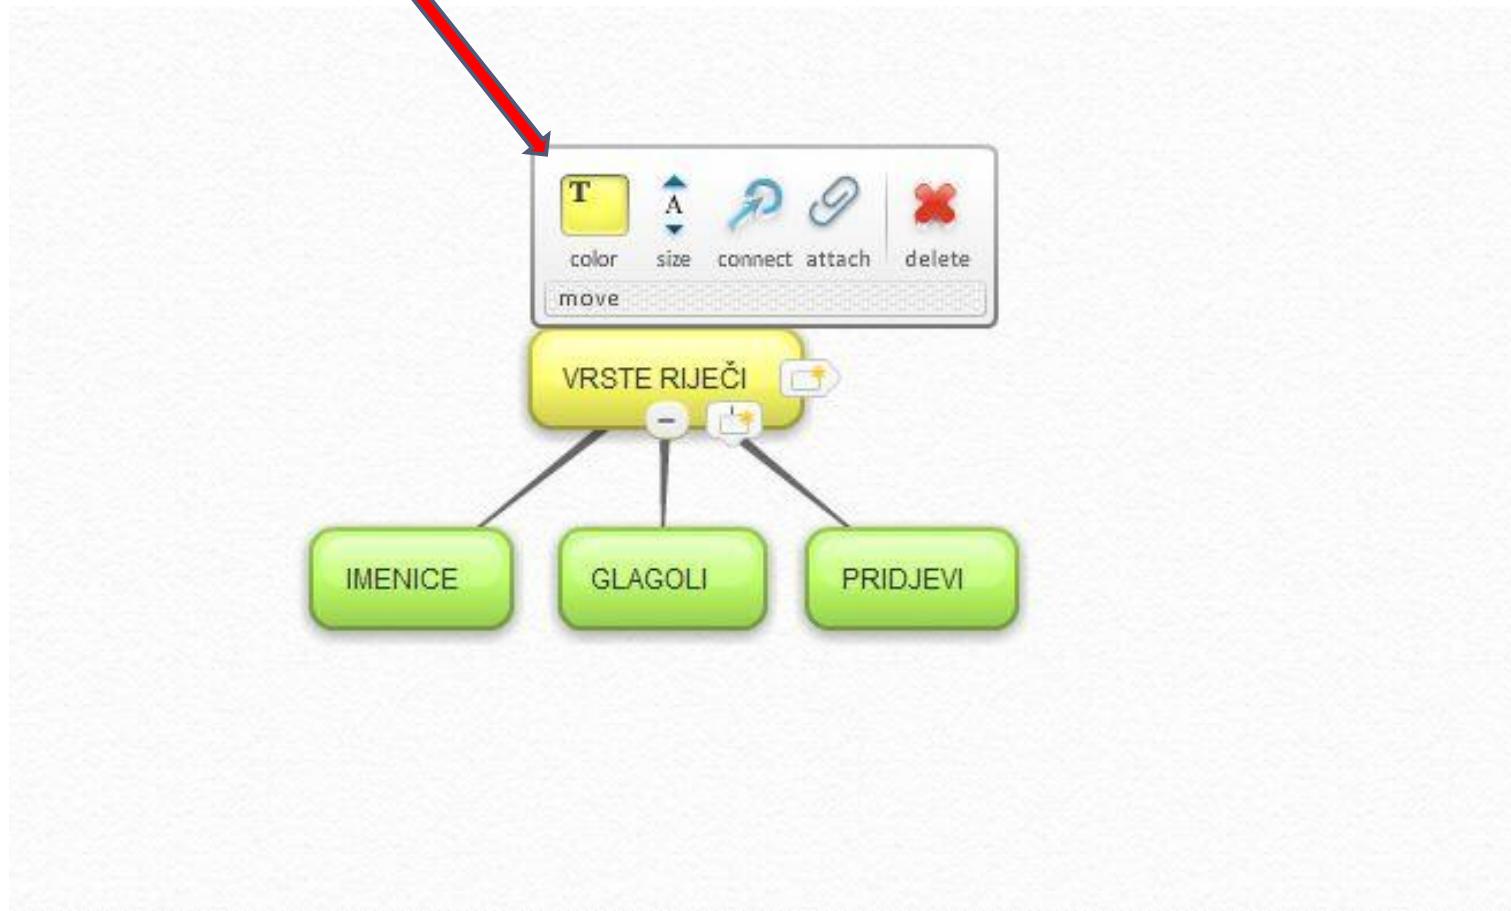

U središnji “bubble” upiši glavnu ideju,  
tj. temu mentalne mape.

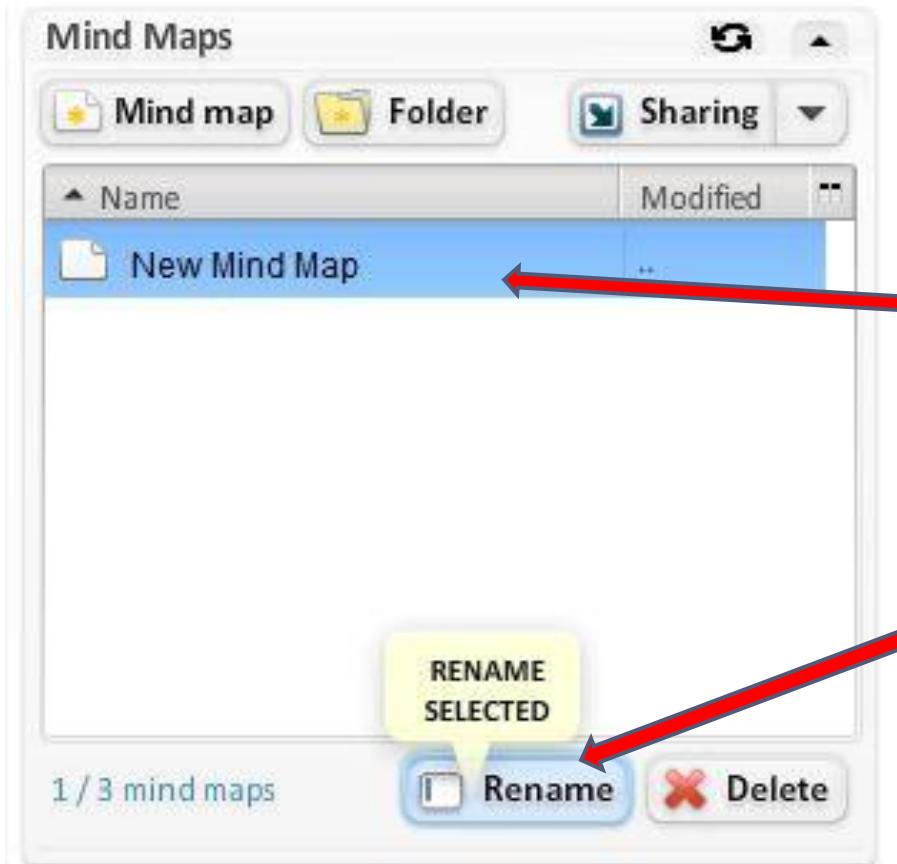

Klikom na “New child bubble” dodaješ mjehuriće u koje se upisuju ideje koje pripadaju glavnoj ideji.

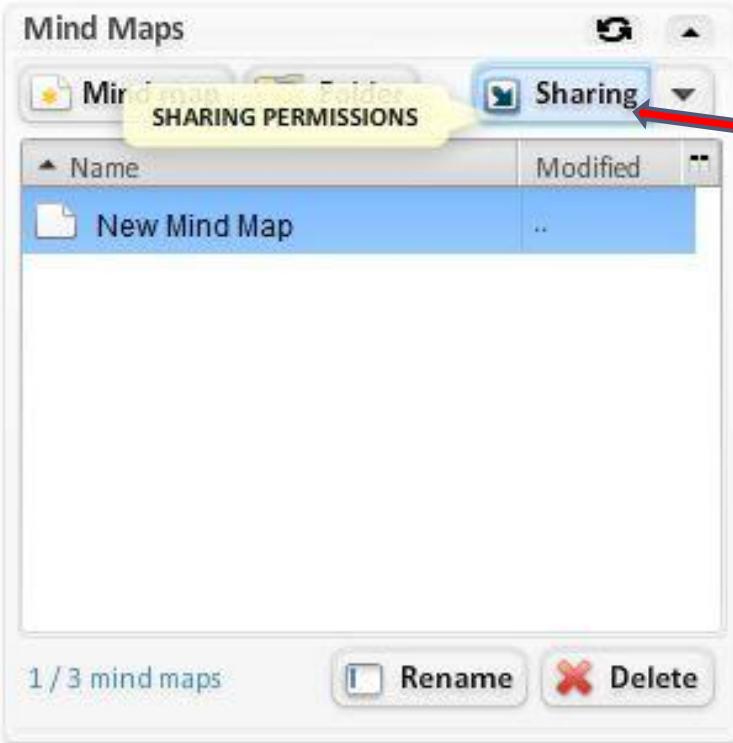

Postavljanjem kurzora na “bubble”, pojavljuje se izbornik koji ti omogućuje uređivanje (odabir fonta, boje i veličine slova, boje podloge).

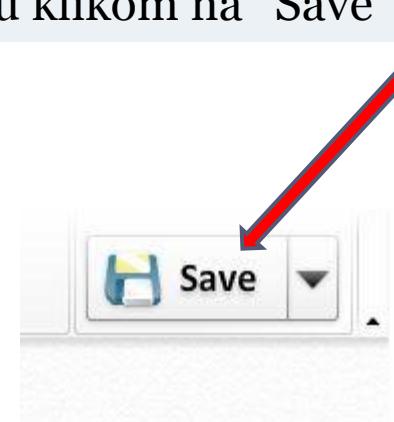

Mentalnoj mapi daješ ime tako  
da ju prvo označiš u izborniku sa  
desne strane...

...a potom klikneš na "Rename" i  
upišeš željeno ime.

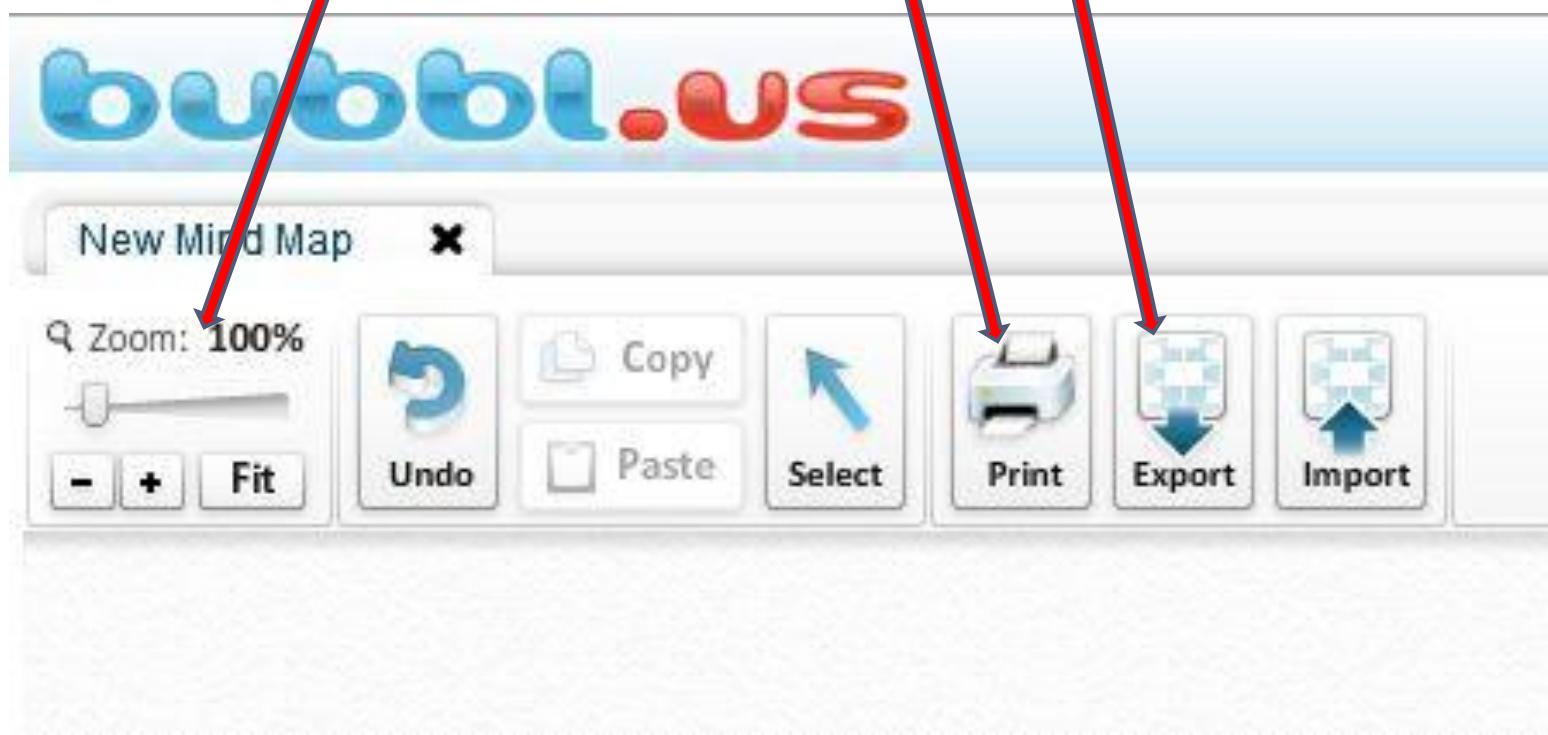

Klikom na "Sharing" možeš odabrati opcije dijeljenja mape sa drugim osobama.

Ne zaboravi snimiti dokument, tj. mapu klikom na "Save".

Mapu možeš povećati/smanjiti, printati i pohraniti kao sliku (jpg ili png).

# I za kraj...

- Na jednom korisničkom računu moguće je pohraniti samo tri mentalne mape.
- Mapu možeš uvek mijenjati i dopunjavati.
- Bubbl.us možeš koristiti i bez kreiranja korisničkog računa, ali u tom slučaju ne možeš pohranjivati i dijeliti mape.
- Istraži dodatne mogućnosti koje ti Bubbl.us nudi!
